Chronological resume

List things in

reverse chrono order

(latest to earliest)

like B.Tech, then XII

then X)

for functional resume
write important event
under a certain
heading first, then
2nd imp. event then
least important.

Like XII with 98%.

B. Tech	"	89%
X	"	88%

For combinational
resume:

wherever there is
any event that is
very imp., you may
opt to quote those
in functional way
& rest in
